

Freedom Organix

Grass Fed Beef - Price List 2011

We raise a limited number of grass-fed beef steers each year. Our beef is bred on our farm from registered Hereford stock and produces fine, grass feed beef. The steers are in our care from birth and forage on our pastures until they reach maturity.

On-farm pick up is always available, or place an order to be delivered (once per month), to Barrington and Libertyville.

Sides of Beef

Best value. \$3.00/lb. based on dressed weight. See our website for more information and reservation form
