

Freedom Organix CSA

Fresh ~ Local ~ Natural

A Freedom Organix CSA share brings fresh, local, all natural food grown on our farm to your family's table all summer long.

We're **affordable** – get your '5 a day' for less than \$5/day. Each week your box contains an average of 5-7 different vegetables in enough quantity to feed 3-4 family members.

We're **fun** – A share of seasonal vegetables is an adventure in eating. We grow delicious heirloom varieties you won't find at the grocery store. We'll include recipes each week in our newsletter to give you some ideas and help you create some new family favorites.

We're **fresh** – Our vegetables are picked at their peak for the best nutrition and flavor. We carefully harvest and pack your box so that your produce arrives in peak condition.

We're **friendly** – When you become a member you become part of our farm. We want you to visit, and know about where your food comes from and how it was raised. Join us for member only events this summer.

We're truly **local**: Located just 45 miles from the northwest suburbs, we have central delivery sites with one close to you:

Harvard (on farm)	Woodstock
Crystal Lake	Cary (Barn Nursery)
Barrington (Roslyn Rd.)	Lake Zurich
Barrington (Norton's)	Libertyville
Lake Geneva/Delavan	Highland Park
